

**TO WHOM IT MAY CONCERN**

Project : The Platinum Tower
Subject : Aluminum Joinery Works

We hereby confirm that M/S Alumco has executed the Aluminum works at the above mentioned project.

The works included the supply & installation of a custom made Unitized Lift & Slide Shuco System.

The quality of their work proved to be of high standard and in compliance with the technical specifications required for the project.

We are pleased to advice that throughout the execution, M/S Alumco has shown great dedication and commitment to the project. The overall performance was satisfactory and we do recommend Alumco for Aluminum & Glazing works..

The above has been issued upon Alumco's request without any liability from our part.
